

# Protection

Archangel Michael of Devine Source, of  
Unconditional Love.

Please assist me in putting a thick 24-karat golden  
protection aura around me.

May this thick 24-karat golden aura protect me  
from any intentional and  
unintentional harmful energy.

May this harmful energy be sent to mother earth,  
transformed to golden  
healing energy and be returned to its rightful  
owners.

I am protected now.
